To All at MPH Custom Homes

We would just like to let you know how pleased we are with our new home that you built for us in Spring Hill, from helping us choose the lot, then taking us through the different homes and floor plans available to us, it was nice to talk our ideas through with you.

We found it very reassuring to have someone on the end of a telephone that we could call if we had any questions. The whole process went very smoothly, we felt we were treated more like friends than just customers. Even when the build was complete you were there to help with the furnishings and landscaping of the garden, this was a great help to us. We have no problem recommending your company to our family and friends.

We are looking forward to coming back and spending many happy holidays in Spring Hill.

We wish you every success in the future which should be guaranteed if you give everyone the service you gave us.

Many thanks,

Dave and Denise.
