

Dear Ian

John and I just wanted to drop you a note to say thank you very much for the prompt and professional manner in which you built our property in Spring Hill.

We are delighted with the quality of product and the high standard of workmanship in all areas of the build. The way in which you kept us informed throughout the project was really appreciated particularly as we are thousands of miles away and it is difficult to keep a track on progress.

As you know it is not just our holiday home but a rental property. The feedback from our first renters was extremely favourable and they were very impressed with the property.

Once again thank you for all your help. We will certainly be recommending you to our friends and colleagues who are considered building a holiday home in Hernando County.

Yours sincerely

John and Lesley
