

Dear Ian and all at MPH Custom Homes,

We would like to take this opportunity of thanking you all for the beautiful home you have built for us.

When we chose the plot at 10087, Sunburst Court, Springhill, in October last year it was a dream we would have loved to come true. All of you have turned our dream into a reality and just seven months later in May 2007 we have spent our first vacation in our own dream home.

The professionalism and quality of workmanship that has been given to our home has surpassed even our dreams. We have even had comments from the Appraisers and Building Inspectors on what a beautiful home you build.

We can assure you that if anybody are wanting to follow a dream like ours we will have no hesitation in recommending your company to them.

Thank you once again and we wish you all the success your company deserves and don't stop building those dream homes.

Yours sincerely,
Wendy and Ian Biddulph and Family
